

# Honolulu Museum of Art School

## Supply List

### Creative Digital Photography

Instructor: Scott Kubo

#### Required Supplies List:

1. Digital camera with the ability to manually control: **aperture**, **shutter speed**, and **ISO (sensitivity of the image sensor)** settings, independently. *Interchangeable lens digital cameras are preferable.* Please bring your digital camera to the first day of class.
2. Digital camera / lenses must have the ability to use screw-on type filters.
3. Tripod or other device/method to steady camera for long exposures.
4. “Cable Release” or equivalent wired or wireless remote control.
5. Access to computer or other digital device and software where you may process digital images to a reasonable degree of creative completion.
6. Each student must have an email address and be familiar with or willing to learn how to use DropBox file sharing service.
