

**Honolulu Museum of Art School**

# Supply List

## **Weaving 1&2**

Instructor: Liz Train

### **Suggested Supplies**

We provide most of the yarn and equipment for the beginners and charge a small supply fee (\$15) to cover the cost of warp threads. Advanced weavers and beginners who wish to may purchase their own yarn depending on the project they wish to make. A notebook or binder is helpful to take notes and they may wish to bring their own scissors.
