Shibori & Indigo Dying

Instructor: Gail Toma

Materials List:

I will provide one yard ready to dye cotton fabric for sample making and some heavy weight thread.

Any fabric to be dyed must be scoured to remove all sizing and oil. To scour fabric: wash in hot water with detergent and some soda ash if you have it. NO FABRIC SOFTENER. Indigo dye is mainly for cellulose fibers.

PLEASE BRING THESE

Paper, pen, pencil. Handouts will be folder size. You will need to take notes.

“Rubber” gloves, the longer the better

“The Fine Line” water erasable marking pen is good for drawing lines on your fabric (I got mine at Calico Cat, but I think Kaimuki Drygoods, Ben Franklin or Fabric Mart will have them, or Crayola makes erasable colored pencils that work too.
