

# Advanced Soft Pastel Supply List

Helen Iaea, Instructor

**Soft** pastels – largest number possible. Firmer pastels like NuPastel are not appropriate for this technique. Very soft work best also the most highly pigmented: Terry Ludwig, Sennelier, American Artworks, Mount Vision, Holbien, etc. If in doubt, bring yours the first class and we will try them out.

**White Sanded** paper – 2 sheets. Small size good. Available at Hawaiian Graphics.

We will be making our own support boards for the rest of the classes which will be made and purchased for less than \$2 ea.

**Landscape photos** to work from –The instructor will provide one for the first class and you will learn what to look for. The instructor will have a selection to choose from if you don't have any. Bring yours to the first class also!

**Sponge brush** – 1”

**Soft watercolor brush** – 1” (Hake brush is good to begin with).

Alcohol- 91% (from Longs) Optional
