

Student Supply List

A basic tool kit is available for use in the studio. However, if you wish to do work at home as well, some personal hand tools are nice to have. It is essential that you be able to see details of your work so visual aids such as reading glasses, Optivisors, or similar things are recommended.

Basic Tool Kit:

- Sand paper, 320, 400, and 600 grit (wet/dry)
- Paint sticks, 3
- Sharpie marker
- Note book
- Scissors

Some hand tools, metal sheet and wire are available for purchase; limited to stock on hand.
