The Honolulu Museum of Art (HoMA) is an equal opportunity employer committed to recruiting and retaining a diverse, qualified workforce. The Museum strives to maintain a staff that works together to maintain its mission:

To bring together great art and people to create a more harmonious, adaptable and enjoyable society in Hawai'i.

Our Vision: To be a world-class institution with great collections of art and leading education programs. We will reflect changes that are happening in Hawaii, Asia and the world.

Conceived as an institution that would make Hawai'i an even better place to live, the Honolulu Museum of Art (HoMA) is committed to showcasing the highest quality art from around the world for the benefit of residents and visitors. Art and Education are central to the museum's mission, with 299,000 people visiting each year and 36,900 students participating in school programs both at the museum and throughout the community. The museum's art collection has grown into one of the most extensive in the United States, with a special emphasis on works of art that reflect the diverse communities that call Hawai'i home.

Job Summary:

Under general supervision, the primary responsibilities of this position is to maintain, enhance and develop the gardens and grounds of the Honolulu Museum of Art, Spalding House

Minimum Qualifications:

- High school diploma or equivalent.
- Two years of grounds landscaping/maintenance experience; or equivalent combination of experience and/or education consisting of comparable knowledge, skills and abilities.
- Knowledge in using power mowers, trimmers, digging equipment, clippers, hedgers, rakes and other common garden tools. Abides by OSHA safety standards.
- Willingness and ability to do a variety of grounds and maintenance tasks.
- Effective communication skills with the ability to work independently and in a team setting.
- Valid Driver's License.

Desired Qualifications:

- Knowledge of cultivation, weed control, seeding and planting of lawns, various plants and trees.
- Knowledge in application of fertilizers, insecticides and herbicides used in grounds care and gardening.
- Trade school / apprentice program graduate or certification in landscape trades.
- Ability to assist and communicate with a diverse group of people; an interest in the Honolulu Museum of Art and a willingness to assist visitors of the museum.

Essential Duties:

- Takes personal pride in creating and maintaining attractive grounds.
- Understands basic landscaping principles and works with the Operations department to suggest and/or follow through on new plantings.
- Maintains all lawn areas, including fertilizing, watering, weeding, raking, reseeding, and mowing.
- Trims, cuts, fertilizes, plants, and replants all hedges, bushes, potted plants and trees.

- Maintains green areas in parking lots; waters, trims, rakes, and mows, etc. Removes any trash in and around green areas.
- Performs routine maintenance on watering systems including hoses, sprinklers, drip and drainage.
- Applies herbicide and pesticide chemicals to grounds, trees, bushes, shrubs, and lawns as needed to control plant diseases and insects.
- Operates power lawn mowers, edgers, hand tools, and other machinery used in ground maintenance and landscaping activities.
- Performs minor maintenance and repair on equipment and tools as required.
- Maintains records of all grounds maintenance such as fertilization, replanting, tree trimming, etc.
- Other tasks as assigned.

Working Conditions and Atmosphere:

Works mainly outdoors where conditions can be cool, hot, wet and windy. Ability to climb stairs, walk on uneven, and occasionally slippery surfaces. Ability to pull, push, lift and carry up to 50 pounds with occasionally heavier loads. Ability to bend, stoop, kneel, crawl, and crouch. Work areas can be dusty, humid, have various kinds of chemicals, fumes and odors. Noise level is usually normal, but may be loud when using power equipment.

The statements contained herein describe the scope of the responsibilities and essential functions of this position, but should not be considered to be an all-inclusive listing of work duties and requirements. Individuals may perform other duties as assigned including work in other areas to cover absences or relief to equalize peak work periods or otherwise balance the workload.

Honolulu Museum of Art is an Equal Opportunity Employer and does not discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, religion, sexual orientation, gender identity, status as a veteran, and basis of disability or any other federal, state or local protected class.
