

# Encaustic Painting

Instructor: Sandy Simonian

## Class Supply List

### Please bring to the first class

- 1 Natural hair brushes -also known as China Brushes (City Mill). They are cheap paint brushes! Brushes will be dedicated to painting with wax. Choose 6 brushes in variety of widths from 1/2" - 2" wide plus 1 larger 3-4" in width. Brushes are used to paint the wax on the hot plate, no synthetic brushes, they melt.
- 2 Roll of Wax Paper (Long's).
- 3 8oz can of butane fuel (Long's or City Mill).
- 4 Tools for scraping and incising surface of wax such as pottery tools, etching needle, dental type tools and X-acto knife. Burnishing tool or metal spoon, linoleum cutters.
- 5 Anything you have around the house: Textural materials such as small bubble wrap, screen, perforated wall paper tape, etc. Collage materials: stencils, xerox copies, drawings, small pieces of handmade papers, prints, thread etc. If you have any rolling sewing markers or mark or print making tools bring them!
- 6 One pad of 8.5 x 11 Vellum Paper to go through a laser copier and tracing paper.
- 7 Cut up old T-shirts or cotton fabric for cleanup. VIVA brand paper towels also work (Long's).
- 8 Several pair latex or nitrile exam gloves. (Long's or Costco)

Some extra materials such wood boards, small metal scraping tools, extra Encaustic Media (clear wax) and pigment wax will be available for sale on an as needed basis. The items range in price from \$ 3.00 - \$7.00.

Wear old clothes, an apron with pockets will be really helpful!
