Recommended Paper

Arches 140 lb cold press is a good, all-around paper. Start with this and play with others later on. Hot Press paper is smooth like card stock and takes the paint differently. Do NOT buy student-grade paper, it is not worth the aggravation!

Recommended Palette

Jones Color Round, Stephan Quiller, or any covered palette. A round palette is helpful when you are first learning the color wheel.

Recommended Brushes

Rounds sized 8 and larger; Flats sized 1/2" and larger. Cheap Joes Legend Kolinsky Sables are quite good and go on sale regularly. Other Cheap Joe's brushes I recommend include their 50/50 brushes, all sizes including the cat's tongue.

Backing Board

Coroplast from One Shot Supplies on Waikamilo Rd. in Honolulu. The 24"x36" sized sheet is easily cut to smaller sizes. I will bring a few to class for sale. You will need two backing boards 1-2" larger than your paper.

Paper Towels

Viva will not leave any imprints on your paper if you blot your painting. Please blot sparingly! It is better to learn to control the amount of water you use than to blot it up.
