

Supply List

Jewelry II

INSTRUCTOR: Brenda Ching

It is recommended that students bring their own hand tools. Studio tools are used by many classes so they get quite a lot of use and may not be in optimum shape. It is essential that you be able to see details of your work so visual aids such as reading glasses, Optivisors, or similar things are recommended. If you have questions, please contact the instructor.

Basic Tool Kit

- Half round file, #0 Swiss cut
- Half round file, #2 Swiss cut
- Pliers: chain, round, flat
- Flush cutters
- Sand paper-320, 400, 600
